ABOUT US

Golden Waves has come a long way since established in 1991.

Golden Waves Shipping and Logistics is a professional solution provider in the Shipping and Logistics industry with offices across Middle East. We are one among the sister concern of prestigious ESM Group, family owned professionally managed business entity with 20 years industry experience, specialized in customized shipping solutions for our clients. We partner well with all who export from and import to GCC by providing a comprehensive range of services. Our mission is to be a preferred global partner to our clients offering reliable and competitive Shipping and Logistics solutions. Therefore we have proudly developed a substantial and widespread network of agents that enable us to literally cover every part of the globe.

OUR COMMITMENT

At Golden Waves, we are committed to being the preferred global partner for our clients by delivering reliable and competitive shipping solutions. We collaborate closely with exporters and importers throughout the GCC, providing a comprehensive range of services that ensure seamless logistics operations. Global Network Our extensive and well-established network of agents spans the globe, allowing us to provide unmatched coverage and support for our clients, no matter where their business takes them.

WHAT WE DO

Whether you are shipping goods into or out of the country, Golden Waves offers the expertise and technology needed to ensure your shipments are cleared efficiently. Our team of experienced professionals handles all complexities, from accurate duty and tax assessment to navigating regulatory requirements

WHY US ?

- Experience & Expertise
